

Dear Sailors,

I want to take this opportunity to welcome you to the Biloxi Yacht Club and to the Chapman Regatta. All of the MCYA Clubs have been through a lot in the last few years and I am happy to see our Association Clubs being rebuilt and our sailors getting back to regatta events.

We are proud to host the Chapman and are committed to making it a success. Things aren't quite what they used to be, but hopefully that will not stop us from having a good time and getting back to the main purpose of Yacht Clubs, friendly but competitive sailing.

Again welcome to the BYC and if I can be of assistance, please give me a call

Sincerely,

Robert E. Smith
Commodore
